

3 DAY AGENDA AT A GLANCE

AGENDA
MSCCC Action Plans & NAMPAN Pilot
 24-26 March 2004
 Radisson Fisherman's Wharf
 San Francisco, California

Wednesday 24		Thursday 25		Friday 26	
Morning					
NACAP & NAMPAN Groups Setting the context		NACAP Group Developing Action Plans	NAMPAN Group Defining the where	NACAP Group Further develop actions (how, whom, when, where)	NAMPAN Group Developing Action Plans: Setting priorities
Plenary		Identify collaborative actions for each framework theme	Identify a NA suite of potential sites for the NAMPAN pilot		
Afternoon					
NACAP Group Plenary followed by country presentations (1 per country per species)	NAMPAN Group Country presentations of what's happening at the national level and at the site level (1 per country+ 1 presentation per site)	NACAP Group Cont. Developing Action Plans: Setting priorities	NAMPAN Group Developing Action Plans Identify collaborative actions for each framework theme	NACAP Group Cont. Further develop actions (how, whom, when, where). Assign a time frame for actions (short, medium and long term).	NAMPAN Group Cont. Further develop actions (how, whom, when, where). Assign a time frame for actions (short, medium and long term).
		Group Plenary	Wrap-up		
Reception dinner with guest speaker		NACAP & NAMPAN groups plenary		NACAP & NAMPAN groups plenary: Sessions results, wrap-up and next steps	

Wednesday, March 24

Morning

Plenary with NACAP & NAMPAN Groups

Setting the context

- Purpose of the meeting
- State general goals for NACAP & NAMPAN
- Expected results for the NACAP & NAMPAN groups
- Scope of the process
- Update on the Strategic Plan for the Conservation of Biodiversity in NA
- Update on PCAs
- Update on NACAP Framework
- Update on NAMPAN Framework

Afternoon

*NACAP Session facilitated by Art Martell
NAMPAN Session facilitated by Mark J. Spalding*

NACAP

Country presentations

One presentation per country per species. Each presentation should last between 15-20 minutes.

Each country-species presentation should:

- Explain the rationale for species selection
- Describe species profile:
 - *conservation status, including its legal status, abundance, distribution range and critical habitat*
- Include an overview of framework themes (actors, state of knowledge, challenges, and opportunities for collaboration):
 1. Threats prevention, control and mitigation
 2. Education and outreach
 3. Information sharing
 4. Capacity building, training and networking
 5. Research, monitoring, evaluation and reporting
 6. Innovative enabling approaches
 7. Institutional and legal arrangements

NAMPAN

Country presentations

One presentation per country on National priorities and MPA system, and one country presentation for potential sister sites. Each presentation should last between 15-20 minutes.

Each country-site presentation should:

- Explain the rationale for potential sister sites
- Describe site profile:
 - *conservation status, including its legal status, natural history, conservation goals, existing institutions & infrastructure*
- Include an overview of framework themes (status, challenges, and opportunities for collaboration):
 1. Engagement of aboriginal/indigenous peoples/first nations
 2. Awareness building; stakeholder involvement; public participation; ocean ethic
 3. Coping with common stresses to resources.
 4. Research, monitoring, evaluation and reporting on effectiveness
 5. Training and capacity building & sharing of information

	6. Innovative enabling approaches, creative financing and economic benefits of MPAs.
Reception dinner with guest speaker	

Thursday, March 25

NACAP & NAMPAN Groups split for the Thursday am session and come back to plenary late afternoon, to wrap-up the day. NACAP will have 3 groups, one group for each species with up to 10 experts by group. All 3 groups will share the same meeting room. NAMPAN will work in a U set up.

Morning

NACAP	NAMPAN
<p>Developing Action Plans Defining the <i>what</i></p> <p>The groups will define actions for each of the Framework themes:</p> <ol style="list-style-type: none"> 1. Threats prevention, control and mitigation 2. Education and outreach 3. Information sharing 4. Capacity building, training and networking 5. Research, monitoring, evaluation and reporting 6. Innovative enabling approaches 7. Institutional and legal arrangements <p>Actions to be identified need to meet the following:</p> <ul style="list-style-type: none"> - Be collaborative - Be oriented towards specific results - Be measurable - Have clear deliverables <p>In this part of the session, all actions corresponding to any of the themes can be listed.</p>	<p>Defining the How: The NAMPAN Framework The NAMPAN group will review and agree on the framework elements</p> <p>Defining the <i>where</i> The group will develop a NA suite of potential sister sites to start the NAMPAN pilot.</p> <p>Defining the <i>what</i> The groups will define actions for each of the Framework themes:</p> <ol style="list-style-type: none"> 1. Engagement of aboriginal/indigenous peoples/first nations 2. Awareness building; stakeholder involvement; public participation; ocean ethic 3. Coping with common stresses to resources. 4. Research, monitoring, evaluation and reporting on effectiveness 5. Training and capacity building & sharing of information 6. Innovative enabling approaches, creative financing and economic benefits of MPAs. <p>Actions to be identified need to meet the following:</p> <ul style="list-style-type: none"> - Be collaborative - Be oriented towards specific results - Be measurable - Have clear deliverables <p>In this part of the session, all actions corresponding to any of the themes can be listed.</p>

Afternoon	
<p>Cont. Developing Action Plans: Setting priorities</p> <p>The group will prioritize among the above resulting actions. Criteria to set priorities:</p> <ul style="list-style-type: none"> - Urgency of the action - Explicit bi or trinational priority - Possibility to take advantage of unique opportunities - Feasibility: <ul style="list-style-type: none"> Ensure concrete action, and Produce results within a time set 	<p>Cont. Developing Action Plans:</p>
Group Plenary	Wrap-up
<p>NACAP & NAMPAN Plenary to share priorities among the two groups</p>	

Friday, March 26	
<p><i>NACAP & NAMPAN groups split for the Friday a.m. session and come back to plenary late afternoon, to wrap-up the day. NACAP will have 3 groups, one group for each species with up to 10 experts by group. All 3 groups will share the same meeting room. NAMPAN will work in a U set up.</i></p>	
Morning	
<p style="text-align: center;">NACAP</p> <p>Fine tune how, who, when, where</p>	<p style="text-align: center;">NAMPAN</p> <p>Setting priorities</p> <p>The group will prioritize among the above resulting actions. Criteria to set priorities:</p> <ul style="list-style-type: none"> - Urgency of the action - Explicit bi or trinational priority - Possibility to take advantage of unique opportunities - Feasibility: <ul style="list-style-type: none"> Ensure concrete action, and Produce results within a time set

Afternoon

Assign a time frame for actions (short, medium and long term) within a five year span.

Fine tune how, who, when, where
Assign a time frame for actions (short, medium and long term) within a five year span.

NACAP & NAMPAN groups plenary: results presentation, wrap-up and next steps

Saturday, March 27

Field trip --- details will follow
